

CAREER TECHNICAL TRAINING AREA

Licensed Practical/Vocational Nurse

Do You Like ...

- ... helping people?
- ... organization and detail?
- ... teaching others?
- ... building relationships?

If so, you may be a good candidate for Job Corps' Licensed Practical/Vocational Nurse career training program.

SKILLS

Learn how to perform the essential tasks of a licensed practical/vocational nurse, including:

- » Providing basic patient care or treatments, such as taking temperature or blood pressure, under the supervision of a registered nurse.
- » Observing patients, charting and reporting changes in their conditions, such as adverse reactions to medication or treatment, and taking any necessary action.
- » Administering prescribed medications to patients, and noting times and amounts on patients' charts.

EXPECTATIONS & REQUIREMENTS

While on the job, you will be expected to display the following traits at all times:

- » Integrity and dependability
- » Attention to detail
- » Concern for others
- » Cooperation
- » Dependability

And you will need to meet a few basic requirements in order to be hired as a licensed practical/vocational nurse, including having:

- » Basic math and reading skills
- » A high school diploma or the equivalent
- » Completion of the core curriculum and passing scores on all written and performance tests
- » An application submitted to the state regulatory authority
